

Latin I Syllabus

LATN 2105

Course Description

Latin I introduces students to the basics of Latin grammar, syntax, and vocabulary. Students will be introduced to the six indicative active tenses of first, second, third, third -io, and fourth conjugations, as well as those same tenses of the irregular verbs *sum* and *possum*. Students will learn about the present, imperfect, and future indicative passive tenses of first and second conjugations. The present infinitives, active and passive, will also be presented. Students will also learn about first, second, and third declension nouns; first, second, and third declension adjectives; special -ius adjectives; the reflexive adjective; interrogative adjectives; demonstratives; and numbers. Personal pronouns, reflexive pronouns, relative pronouns, and interrogative pronouns will also be taught.

Course Outcomes

- Reconstruct all active indicative regular verb endings and translations in their respective tenses (present, imperfect, future, perfect, pluperfect, and future perfect).
 - Analyze irregular verb forms to create the correct person, number, tense, mood, and voice.
 - Categorize imperative and infinitive forms of Latin verbs.
 - Identify the present, imperfect, and future indicative passive endings and basic translations.
 - Categorize all noun endings in their respective declensions.
 - Identify noun-adjective pairs in which the endings of the nouns and adjectives come from different declensions.
 - Reconstruct all major pronouns — demonstrative (*hic, ille, iste, is, idem*), intensive (*ipse*), personal (*ego, tu, nos, vos*), reflexive (*se*), relative (*qui*), and interrogative pronouns (*quis*).
 - Categorize Latin prepositions according to the case of their objects.
 - Categorize different parts of speech, conjugations, and declensions in Latin.

Course Materials

All readings and materials necessary to complete required exercises are provided within the course platform. Links to additional, optional resources on external websites are also provided for each lesson in the Lesson Toolbox.

Course Length

This is a self-paced course allowing students to learn according to their personal schedules. Overall, it is estimated that the course will take approximately 186 hours to complete.

It is recommended that students work through the course at a comfortable pace that allows regular, incremental (daily and/or weekly) progress. If assistance is needed with scheduling time in this course, students may refer to the pacing guide provided in the course documents, located on the course page. Please note, there is no penalty for late assignments as this is a self-paced course. However, if a student is enrolled in a TEL course through a school or institution, s/he is required to finish the course according to the academic calendar of the respective school or institution.

Prerequisite(s)

None

Minimum Passing Grade

To earn college credit for this course, students must earn a minimum average grade of 70% or higher. If a high school student receives less than 70% in this course, it is up to the school offering the course to grant high school credit for its completion.

Course Policies

Academic Integrity Policy

TEL students are expected to practice academic integrity. If it is determined that a student has failed to comply with the Academic Integrity Policy, the issue(s) in question will be addressed by TEL, and subsequent action will be taken.

Cheating

TEL students are expected to refrain from acts of cheating. Examples of cheating include, but are not limited to the following:

- Accessing or attempting to access unauthorized course material
- Providing or attempting to provide unauthorized course material(s) to another person
- Using or attempting to use study aids during an academic exercise or examination
- Copying or attempting to copy another person's work
- Allowing another person to copy or attempt to copy your work
- Allowing someone else to complete your work
- Completing or attempting to complete someone else's work

Plagiarism

TEL students are expected to produce original work and refrain from acts of plagiarism. Examples of plagiarism include, but are not limited to the following:

- Copying someone else's work word-for-word
- Adopting someone else's ideas and presenting them as your own
- Using someone else's original work without acknowledging or citing the source

TEL instructors and instructional staff will use plagiarism detection software to check writing assignments for plagiarism.

Appropriate Use of Technology

TEL students are expected to use technology appropriately. Examples of the misuse of technology include, but are not limited to the following:

- Bypassing or attempting to bypass proctoring services
- Using or attempting to use unauthorized technology devices for examinations
- Providing or attempting to provide system credentials to an unauthorized person

Action in Response to Academic Misconduct

Students who knowingly and willingly engage in academic misconduct will be subjected to disciplinary action. Issues brought to or discovered by TEL will be evaluated on a case-by-case basis. Action stemming from the result of an inquiry may include, but is not limited to the following:

- Issuance of an Academic Integrity Warning
 - A grade reduction for the assignment or examination in question
 - A zero for the assignment or examination in question
 - Dismissal from the course
-

Grade Discrepancies

Students who wish to appeal a grade to the Academic Services Team must [submit this form](#) to start the appeals process.

Upon the receipt of the appeal, the following process will be enacted:

1. Grade appeals will be submitted to an alternative, qualified member of our instructional staff. Specific grade discrepancies will be escalated to the Director of Academics for the re-evaluation of the assignment, rubric, and correct answers. The Academic Services Team will conduct a thorough investigation using all evidence provided from the rubric, assignment instruction, notes from the original instructional staff member, and other relevant outsourced information. Academic integrity appeals will be submitted to the Appeal Committee, consisting of TEL's Director of Academics, Director of Curriculum, and Director of Instructional Support.
 2. The Appeal Committee will evaluate the appeal and all documented evidence. In the case of grade discrepancies, an evaluation of the student's awarded grade will be determined in accordance with the proper policies/standards outlined in the course syllabus.
 3. The Academic Services Team will receive the Appeal Committee's assessment and forward this information to the student.
 - a. Once the Academic Services Team provides a response to the disputed grade, the student will have the option to accept or to decline. If the student chooses to decline the response, the student's original grade will stand. If the student accepts the response, the grade will be changed, provided that the grade is different from the original grade.
 - b. In the case of an academic integrity appeal, the student can either accept the assessment and subsequent action or they can restart the course.

Exams

In this course, students will take their midterm and final examinations online. These exams are proctored through MonitorEDU. This service provides live online exam proctoring and support. This service records the student's computer webcam, speakers, and desktop during the exam. **Students must use TEL's exam-proctoring solution, or have exams proctored by a school official (approved by TEL), to receive credit for the course.**

A Student Quick-Guide will be provided on how to use this service in the exam modules.

Technical Requirements

This course is delivered 100% online, and students are required to have access to a computer, laptop, or web-capable mobile device — along with consistent access to the Internet — to access course material and complete assignments.

Required technology:

- Desktop or portable computer, including Windows PC, Macintosh OS, or Chromebook (tablets, cell phones, and iPads are not supported)
- Working built-in or external webcam, speakers, and microphone
- Internet speed must be at least 2 Mbps download and 2 Mbps upload. Hot spots are not recommended. Test Internet speed at: <http://www.speedtest.net>.

To access detailed information about the minimum hardware requirements necessary to take full advantage of TEL courses, visit the course home page.

Disability Services Statement

TEL is committed to providing equitable student access to course content and materials by providing reasonable accommodations for all persons with disabilities. TEL also complies with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. Students who need special accommodations must make their requests by contacting the TEL Support Team to coordinate reasonable accommodations upon registration and before the course begins. Students over the age of 18 taking college-level courses require a 504 for special accommodations.

Any student seeking to request academic accommodations on the basis of a documented disability should contact the TEL Support Team at disabilityservices@tellibrary.org to coordinate reasonable accommodations.

Course and Technical Support

Questions about course requirements, technical issues, or other issues while taking this course can be directed to the TEL Support Team via the Red Question Mark Widget button at the bottom right of each course page. The TEL Support Team will prioritize the request and respond accordingly.
